Background/Supporting Information -

The 2002 Consolidated Plan is the City's application to U.S. Department of Housing and Urban Development for 2002 Community Development Block Grant (CDBG), Home Investment Partnerships (HOME), Emergency Shelter Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) funding. The City Council approved the budget for the 2002 Consolidated Plan last December.

The draft Consolidated Plan was made available for public review on March 11, 2002. This allows for at least a thirty-day review and comment period before staff submits the Plan to HUD on April 15, 2002. Staff will include in the FY 2002 Consolidated Plan, comments received during this Public Hearing and the review and comment period. Staff mailed its Consolidated Plan mailing list a notice announcing the availability of the draft plan and the date of the Public Hearing as well as having an announcement on the City's website.
